

## Survey about volunteering

I asked twenty people questions about volunteering. Here are the results of my survey.

### WHERE WOULD YOU LIKE TO VOLUNTEER?

survey.

Seventy-five per cent of people would like to volunteer in Lithuania. Twenty-five per cent of people would like to volunteer abroad.

More than a half of people would like to volunteer with friends. Thirty-five per cent of people would like to volunteer with family and only ten per cent would like to volunteer with no one.

### WHO WOULD YOU LIKE TO VOLUNTEER WITH?

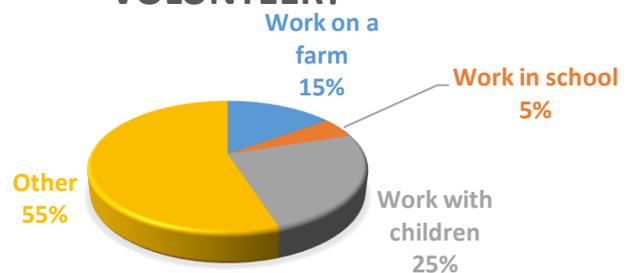

### HOW LONG WOULD YOU LIKE TO VOLUNTEER?

Half of people would like to volunteer one month. Thirty per cent of people would like to volunteer one week and twenty per cent of people would like to volunteer one year and longer.

Twenty-five per cent of people would like to work with children. Only a few people would like to work in school and fifteen per cent of people would like to work on a farm. Most of people prefer other jobs and activities.

### WHAT WOULD YOU LIKE TO DO AS A VOLUNTEER?

Most of people would like to volunteer with friends in Lithuania. They would like to volunteer one month and work with old people or pets.
